MEMORANDUM FOR: Chief, Policy and Plans Group

FROM: 

Chief of Operations (PTOS)

SUBJECT: Entries for the DDA Log  
23 - 28 October 1980 (U)

1. Two members of the Safety Group attended the National Safety Congress 20-23 October in Chicago, Illinois. (U)

2. On 24 October, ISSG provided a 1-hour and 20-minute ADP security presentation for the regularly scheduled OTR-sponsored "Survey of Intelligence Information Systems" course. Additionally, on the same date a 1-hour ADP security briefing was provided for the OTR course entitled "CIA Financial Systems." Also during the week an ISSG representative gave a security presentation to an ODP training course in Basic VM. The briefing covered such items as password security, secure remote terminal usage, data spillage, and classifying data output. (U)

3. On 27 October, members of ISSG met with a representative of ORD for an initial discussion regarding the feasibility of utilizing "FASTSCAN" technology to audit Agency ADP systems. The meeting was informative and it was agreed that this technology could be adopted as a future method of auditing the Agency's ADP environment. A joint OS/ORD effort in this area is being considered. (U)

4. A two-man team departed Headquarters on 27 October for the NE area to conduct ACM inspections. (C)

5. A two-man team arrived in  on 27 October to conduct ACM inspections at   
 (C)

9. On 21 October 1980, a member of the Briefing and Services Branch/TSD presented a Hostile Audio Threat briefing to twelve senior military officers and their wives attending the Defense Attache Course at the Defense Intelligence School, Washington, D.C. The Defense Attache Course is conducted four times annually. (C)

✓ 10. Two OSSB officers have departed for survey trips in the Persian Gulf area. (S)

*the Domestic Security Branch*

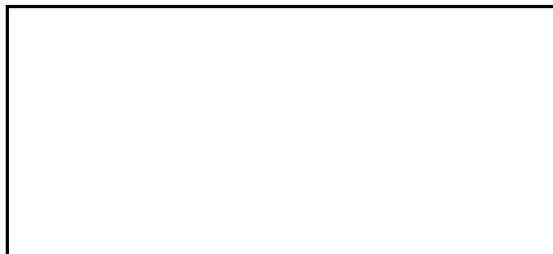

✓ 11. A member of ~~DSB~~ provided assistance to staff members of the House Permanent Select Committee on Intelligence in regard to destroying committee classified trash at the Headquarters Building. Assistance was also rendered to the committee in the turnover of records from the former Pike Committee to the Office of Legislative Counsel for permanent retention. (U)

✓ 12. The pace of construction of the [redacted] buildings continues at an accelerated rate. From the security standpoint, operations have been smooth except for two instances of vandalism. During the hours of darkness, unknown individuals are using what appears to be an airgun to shoot out windows in the construction equipment on the site. The incidents have been reported to the Vienna Police Department for appropriate action. (U)

25X1

13. Chief, Industrial Security Branch, made a 1-hour presentation on ISB activities to the Project Officer in the Contract Cycle Course attendees at the Chamber of Commerce Building on 23 October 1980. (U)
